FALL PLANTING BULBS

**TULIPS, HYACINTHS, CROCUS
NARCISSUS, LILIES**

Offered By

VAN BRAGT BROS. Holland Tulip Farm

One of America's Largest Domestic Bulb Growers

LAKEWOOD BLVD.

HOLLAND, MICH.

We have numbered our varieties to make it easier to choose a selection for your own garden, from one of the largest existing collections in the country.

Fall planting bulbs of all descriptions will be extremely scarce this year, and we therefore urge everyone to place their order early, to avoid disappointment.

The number after the name of the tulip designates the approximate height of that variety at blooming time. The letters following the height indicate as follows:

E. — Early blooming. M. — Medium blooming.
L. — Late blooming.

NARCISS OR DOFFODILS

In order to have a beautiful bulb garden Narcissi should be planted very freely. They thrive in practically any climate in the United States. They are not only excellent for outdoors, but millions are used every year for forcing indoors their graceful form. Beautifully shaped trumpets and cups. The long straight stems have made them favorites for cut flower purposes with every American gardener. We have compiled a list (as short as we could make it) of the best and most attractive varieties for indoor and outdoor purposes.

GUARANTEE

We unconditionally guarantee every bulb we ship out to be strictly top size, and to be absolutely true to name. All bulbs shipped by us will grow and bloom under ordinary conditions. We have, however, no control over unfavorable weather or soil conditions, improper planting, neglect, moles or mice, and therefore cannot assume responsibility after they reach you. Stock not reaching you in first class condition should be reported within 10 days after received, and will be replaced free of charge if so received. After 10 days it is mutually agreed that stock is satisfactory. Do not return bulbs or plants unless so instructed by us.

HOW WE DO BUSINESS

All orders of \$5.00 or more will be shipped fully prepaid if cash is included with order. Smaller orders must include an additional charge of 15 cents to cover cartage and postage. We supply 6 of one variety at the dozen rate, 25 of one variety at the 100 rate.

We guarantee every bulb to be top size.
